Controlling the Pipes <http://www.washingtonpost.com/wp-dyn/articles/A25997-2004Mar3.html>

Dear FCC -

If you guys put our ADSL Internet provider, Speed Factory, Marietta, GA out of business because of this and we are forced to switch our network to BellSouth, I will state, quite simply, that hell will have no wraith what I will do to run you guys out of office.

This is the worst FCC board in more than a decade.

Best Regards,
